Help us make Smiley Branch Library even better!

We’re gearing up for a major renovation of the Smiley Branch Library as part of the Elevate Denver Bond program and we’d like your input on what should be included.

Please join us for a community meeting to discuss renovations. The project design team and library staff will explain the project scope, share initial feedback, and ask for your opinions in a variety of areas. We’d love to hear what you want to see in the renovated space.

**Tuesday, July 2, 6-7 p.m.**
