

Central Children's Library Scavenger Hunt

How many points can you earn?

When you've gotten 10 or more points, tell a librarian at the desk.

4 points: Find someone who works in the library. Ask them to tell you about a book they love. What book did they tell you about?

3 points: Find the clock tower with new books. Draw a picture of it.

1 point: Draw a picture of the sign above the desk where the librarians sit.

2 points: Find a book about space. What is the title of the book you found?

1 point: If you look out the windows, you can see an animal standing on a chair. Do one jumping jack for each leg the animal has. How many jumping jacks did you do?

2 points: Find a graphic novel. Draw a picture of its cover.

Look here for the Dewey Decimal number.

4 points: Find a book with the Dewey Decimal number j398.2. What book is it?

3 points: Find a book you have read before. What is the title of the book?

1 point: Look for the bulletin board that says "Get to Know your Friends at the Library." Who is the person on the board right now?

1 point: Would you rather read a book of the funniest jokes in the world or a book full of the most interesting facts in the world?

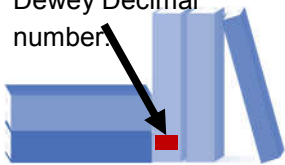

2 points: Where are the audiobooks? Find one you think you would like to listen to. Write down the title.

1 point: If you wrote a book, what would it be about?

2 points: Find a book in a language other than English. What language is the book in?

2 points: Find a movie that has a dog character. What movie did you find?

Look here for the Dewey Decimal number.

4 points: Find a nonfiction (true!) book about sports. What is its Dewey Decimal number?

Tally Your Points:
