

Home Delivery Services

We offer Home Delivery service to anyone in the City and County of Denver who is unable to get to a library. We will match a team member with each customer for easy, contactless delivery right to their front door.

Choose from over 2.2 million items in our collection, including regular, large print and audio books, CDs and DVDs.

To get started, contact Cindy Schneider at 720-865-1351 or by email at homedelivery@denverlibrary.org
