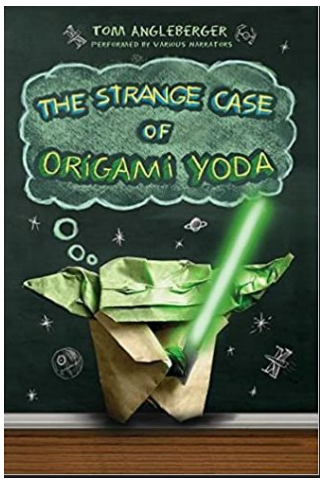
Activities for *The Strange Case of Origami Yoda* by Tom Angleberger



Dwight is an oddball and does a lot of weird things. One day, though, he does something really cool--he makes an origami finger puppet of Yoda. Origami Yoda gives advice that actually works! Soon most of the sixth grade is asking Origami Yoda questions.

Dwight's friend, Tommy wants to know how Origami Yoda can be so smart when Dwight seems so clueless. Tommy creates a case file to investigate this mystery. Can Origami Yoda really predict the future?
