EVENT DESCRIPTIONS

- **Computer Basics:** Just beginning to use computers? From the parts of a computer to searching the internet to email, if you've got questions, we have answers.
- **Conceptos Básicos de la Computadora:** Ideal para personas que comienzan a explorar el mundo de las computadoras. Desde familiarizarse con las partes de una computadora hasta el uso de internet o correo electrónico. ¡Tenemos las respuestas a sus preguntas!
- **Digital Privacy and Security:** Increase your awareness about how your online behavior is tracked and used. You'll learn tips on how to limit what's shared about you online.
- **Drop In Tech Help:** Need help navigating the internet, email, or social networks like Facebook? Have questions about your phone or tablet? Want to know how to access eBooks on any device? Drop by to get your questions answered and learn how to use tech more effectively!
- **How to Deal with Password Overload:** If you've ever struggled with remembering passwords for different accounts such as your email, social media, and/or shopping, this session will show you strategies for managing online passwords. You will learn about how a password manager and two-factor authentication can play a role in your "online security toolkit".
- **Meet Libby! Getting Started With eBooks & More:** Celebrate Winter of Reading with digital media. Learn how to borrow ebooks, audiobooks, and magazines with your library card using the Libby app by OverDrive and discover new reads.
- **Drop In Studio Help:** Do you have questions about audio recording & using the studio? Have an idea for an audio project but not sure where to start? Stop by the recording studio to get 1-1 assistance! Please note: Staff do not mix music for customers, though we are happy to help you get started with your vision.
