

Free and Low-Cost Tech Resources in Denver

Last updated July 2nd, 2026

This list of free and low-cost technology resources was compiled by the Denver Digital Equity Coalition*.

Free Computer and Internet Access at Libraries

Connect at a Library

All [open branch libraries](#) have computers available inside to use with a free Denver Library card. Free Wifi access is available outside all Denver Public Library buildings 24/7.

Low-Cost Home Internet

PCs for People Mobile Internet Hotspots

[PCs for People](#) offers unlimited high-speed 4G LTE internet service, mobile hotspot, prepaid with no credit check or hidden fees. Modem purchase required and monthly service is \$15/month. [Order online](#), call 720-278-7725, or go to 5095 Peoria St, Denver, CO 80239 any time Mon-Fri 9:30-5PM.

Xfinity Internet Essentials

Affordable, discounted home Internet service for those who qualify. [Apply online](#) or call (855) 846-8376.

Free Public Wireless Internet (WiFi)

To access open public wifi internet, you must be within 100-300 feet of a location providing it. When you are in range, the network will show up in the available networks list on your device and allow you to connect to the wifi.

- [Denver Public Libraries](#) Available near all library sites or parking lots.
Network: DPLWireless
- [Denver Public Schools](#) Available near DPS schools or parking lots.
Network: DPS Guest
- [City of Denver](#) Available near some City buildings and parking lots.
Network: DenverGuest Wifi
- [XFinity Lift Zones](#) provide free wifi access in safe spaces like nonprofits and community centers. Access varies by location hours and policies.
- Local businesses: Some businesses, like McDonalds and Starbucks, may also have free public wifi accessible from their parking lots. WiFi network names and procedures vary.

Mobile Phone Tethering

Some personal mobile phones with data plans can be used as an internet hotspot, which means the data/internet from your phone can be used to connect other devices to the internet too. Additional charges could apply, so refer to your service provider for more information.

- [Tethering an Android Phone](#)
- [Tethering an iPhone](#)

Computers and Devices

PCs for People

[PCs for People](#) offers a variety of very heavily discounted, low-cost devices (desktop computers, laptops, accessories, wireless hotspots) for those who qualify, generally priced from \$10 to \$150. You can order online or pick up at their Denver store. Computers come with 1 year warranty and customer support. They also do low-cost computer repairs. Phone: 720-278-7725

Xfinity Internet Essentials

If you are a Xfinity Internet Essentials customer, you are automatically qualified to purchase a Chromebook or Windows laptop for \$149.99. You can [purchase online](#).

Print, Copy, Scan and Fax

Denver Public Library

Printing, copying, faxing and scanning are available at all Denver Public Libraries. Printing and copying are limited to 100 pages a day per customer.
