EVENT DESCRIPTIONS

- **Computer Basics:** Just beginning to use computers? From the parts of a computer to searching the internet to email, if you've got questions, we have answers.
- **Conceptos Básicos de la Computadora:** Ideal para personas que comienzan a explorar el mundo de las computadoras. Desde familiarizarse con las partes de una computadora hasta el uso de internet o correo electrónico. ¡Tenemos las respuestas a sus preguntas!
- **Drop In Tech Help:** Need help navigating the internet, email, or social networks like Facebook? Have questions about your phone or tablet? Want to know how to access eBooks on any device? Drop by to get your questions answered and learn how to use tech more effectively!
- **Excel Basics:** Come with basic or better computer skills to learn how to use Microsoft Excel. We'll guide you through the basics in week 1 and formulas and functions in week 2. Join us for a single class or the whole series!
- **Your Virtual Library: Ebooks, Streaming Movies, and More:** Do you have questions about ebooks, streaming movies, or just using DPL's online catalog? Drop-in to talk to a librarian about making the most of our electronic library.
- **Be Your Own Tech Support:** Tired of asking for help with everyday tech troubles? Learn practical tips and tricks to troubleshoot common computer problems, stay safe online, and feel more confident using technology—all in a friendly, hands-on library class.
- **Cyberdeck Meetup:** Come show off your cyberdecks, Raspberry Pi, and Arduino builds, or just come and tinker with ours. This time is meant to be playful and designed for you to connect with other community members who are curious about cyberdecks rather than a formal class.
- **Laser Cutter Basics:** Want to make awesome things with laser cutters but don't know where to start? We'll introduce you to what lasers can do, how to operate them safely, and how to create your own designs using vector graphics software. Best of all, you'll get a chance to cut one of your designs into wood on our Glowforge Pro laser cutter.
- **Digital Music Meetup:** Do you want to share songs, musical sketches, tips and tricks with other creators in your community? Come join us for our first Digital Music Meetup! We will talk about some basic strategies for creation, recording, releasing music and collaboration.

OTHER TECH HELP

TECH HELP APPOINTMENTS

Get personalized technology assistance and instruction on your own device or a public computer. Call 720-865-1111 or visit your local library for available times and to schedule your appointment.

DIGITAL NAVIGATORS

Digital navigators offer free, ongoing help for you to:

- get your own laptop or other device
- sign up for affordable internet
- learn how to use technology

You can schedule an appointment to meet with a digital navigator in-person or virtually by calling 720-865-3446.

COMPUTER AND INTERNET ACCESS

The following equipment and services are available at all open locations:

- Public access computers
- Wireless Internet
- Free copying, printing, and scanning
- Borrow a Chromebook and/or WiFi hotspot
- Adaptive technologies for persons with disabilities (at Athmar, Blair-Caldwell, Central, Pauline Robinson, and Rodolfo "Corky" Gonzales libraries)

ideaLAB Open Lab

During open lab, you can try out a variety of hardware and software to create music, sew, print 3D designs, make art, and much more. Bring your own ideas and projects — there are staff to help you get started.
