EVENT DESCRIPTIONS

- **Computer Basics:** Just beginning to use computers? From the parts of a computer to searching the internet to email, if you've got questions, we have answers.

- **Conceptos Básicos de la Computadora:** Ideal para personas que comienzan a explorar el mundo de las computadoras. Desde familiarizarse con las partes de una computadora hasta el uso de internet o correo electrónico. ¡Tenemos las respuestas a sus preguntas!

- **Drop In Tech Help:** Need help navigating the internet, email, or social networks like Facebook? Have questions about your phone or tablet? Want to know how to access eBooks on any device? Drop by to get your questions answered and learn how to use tech more effectively!

- **Excel Basics:** Come with basic or better computer skills to learn how to use Microsoft Excel. We'll guide you through the basics in week 1 and formulas and functions in week 2. Join us for a single class or the whole series

- **Digital Design with Canva:** Ready to create eye-catching graphics without any design experience? Join us for a beginner-friendly workshop that will teach you how to confidently use Canva to design stunning visuals for social media, presentations, flyers, and more.

- **Learn Your Sewing Machine**: Bring in your sewing machine, and we will help you get it up and sewing. In this workshop, we will help you learn the basics of your sewing machine, troubleshoot common issues, and get it threaded and working. If you do not own a sewing machine, you can practice using one of ours.

- **Recording Studio Basics:** An introduction to using the ideaLAB audio recording studio. We'll cover recording audio, adding tracks, and exporting and saving projects.

- **3D Printing & TinkerCAD Basics:** Learners with little to no previous 3D modeling or printing experience will learn the basics behind how 3D printing works, as well as popular and free ways to design or find models. Learners will design and personalize a 3D model using TinkerCAD software.

- **Sewing Basics: Coasters**: Join our beginner sewing workshop to learn how to operate a sewing machine! We'll cover the basics of how sewing machines work and put your new skills to use by making a quilted coaster. No previous experience is required.

- **Social Media for Small Businesses: Basics of Instragram**: Are you interested in learning how you might use Instagram as a small business? Learn about some best practices when creating a business account, uploading images and videos and reaching your audience.

OTHER TECH HELP

TECH HELP APPOINTMENTS

Get personalized technology assistance and instruction on your own device or a public computer. Call 720-865-1111 or visit your local library for available times and to schedule your appointment.

DIGITAL NAVIGATORS

Digital navigators offer free, ongoing help for you to:

- get your own laptop or other device
- sign up for affordable internet
- learn how to use technology

You can schedule an appointment to meet with a digital navigator in-person or virtually by calling 720-865-3446.

COMPUTER AND INTERNET ACCESS

The following equipment and services are available at all open locations:

- Public access computers
- Wireless Internet
- Free copying, printing, and scanning
- Borrow a Chromebook and/or WiFi hotspot
- Adaptive technologies for persons with disabilities (at Athmar, Blair-Caldwell, Central, Pauline Robinson, and Rodolfo "Corky" Gonzales libraries)

ideaLAB Open Lab

During open lab, you can try out a variety of hardware and software to create music, sew, print 3D designs, make art, and much more. Bring your own ideas and projects — there are staff to help you get started.
