

DENVER PUBLIC LIBRARY

Start Your Adventure With Geocaching

What is Geocaching?

Geocaching is a real-world treasure hunting game using GPS-enabled devices such as a smart phone. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location. To start your geocaching adventure at Denver Public Library, please visit **denlib.org/geocache**

Directions:

- Start by registering at **geocaching.com** for a free geocaching membership.
- When you find the geocache, sign the logbook and locate and record the special code, then return the geocache to its original location.
- The list of Denver Public Library geocaches can be found at **geocaching.com** or you can Google “DPL Series Geocache List.”
- **The first completers will get a limited edition Denver Public Library Geocoin.**
- Coins can be claimed by submitting your completed passport to **info@denverlibrary.org**, one coin per family or “geo-nic.”
- If a location is closed for renovation, it may be skipped.
