EVENT DESCRIPTIONS

Computer Basics: Getting Started (class) -

Learn the basics of using a computer and practice using a mouse. No computer experience required.

Computer Basics: Internet (class) - Learn how to use a browser to access the internet and use Google to find information on the internet.

Computer Basics: Email (class) - Learn how to send and receive email, navigate your inbox, and practice downloading and attaching files.

Drop In Tech Help (drop in) - Need help navigating the internet, email, or social networks like Facebook? Have questions about your phone or tablet? Want to know how to access eBooks on any device? Drop by to get your questions answered and learn how to use tech more effectively!

Digital Privacy and Security (class) - Increase your awareness about how your online behavior is tracked and used. You'll learn tips on how to limit what's shared about you online.

OTHER TECHNOLOGY HELP

TECH HELP APPOINTMENTS

Get personalized technology assistance and instruction on your own device or a public computer. Call 720-865-1111 or visit your local library for available times and to schedule your appointment.
