## EVENT DESCRIPTIONS

- **Drop In Tech Help** (drop in) - Need help navigating the internet, email, or social networks like Facebook? Have questions about your phone or tablet? Drop by to get your questions answered and learn how to use tech more effectively.
- **Computer Basics/Conceptos Básicos de la Computadora** (class) - Just beginning to use computers? From the parts of a computer to searching the internet to email, if you've got questions, we have answers.
- **Computer Basics: Saving & Finding Files** (class) - Learn how your computer is organized, including files and folders, and discover how to find what you're looking for.
- **Digital Privacy and Security** (class) - Increase your awareness about how your online behavior is tracked and used. You'll learn tips on how to limit what's shared about you online.
- **Digital Privacy for Reproductive Health** (class) - Learn about how to manage your digital footprint while seeking reproductive care.
- **Getting Started With eBooks Using Libby** (class) - Learn how to access library eBooks and digital audiobooks using Libby, by OverDrive on your phone, tablet, computer or e-reader.
- **How to Deal with Password Overload** (class) - This session will show you strategies for managing online passwords. You will learn about how a password manager and two-factor authentication can play a role in your "online security toolkit".
- **Speed Up and Maintain Your PC** (class) - Learn how to remove programs, manage the space on your computer, speed up your browsing and more.
- **Video Chat Basics** (class) - Explore free video chat programs like Skype and Google Hangouts on your phone or computer.

# OTHER TECHNOLOGY HELP

## TECH HELP APPOINTMENTS

Get personalized technology assistance and instruction on your own device or a public computer. Call 720-865-1111 or visit your local library for available times and to schedule your appointment.

## DIGITAL NAVIGATORS

Digital navigators offer free, ongoing help for you to:

- get your own laptop or other device
- sign up for affordable internet
- learn how to use technology

You can schedule an appointment to meet with a digital navigator in-person or virtually by calling 720-865-3446.

## COMPUTER AND INTERNET ACCESS

The following equipment and services are available at all open locations:

- **Public access computers**
- **Wireless Internet**
- **Copying, Printing, and Scanning**
- **Borrow a Chromebook and/or WiFi hotspot**
- **Adaptive Technologies for Persons with Disabilities** (at Athmar, Blair-Caldwell, Central, Pauline Robinson, and Rodolfo "Corky" Gonzales libraries)
