EVENT DESCRIPTIONS

- **Drop In Tech Help** (drop in) - Need help navigating the internet, email, or social networks like Facebook? Have questions about your phone or tablet? Drop by to get your questions answered and learn how to use tech more effectively.
- **Ayuda con la Tecnología** (drop in) - ¿Necesita ayuda con internet, correo electrónico, o redes sociales tales como Facebook? ¿Tiene preguntas sobre su teléfono o tableta? Visítenos para hacer sus preguntas y aprender cómo usar la tecnología más eficazmente.
- **Computer Basics/Conceptos Básicos de la Computadora** (class) - Just beginning to use computers? From the parts of a computer to searching the internet to email, if you've got questions, we have answers.
- **Intro to Tech Skills** (class) - Learn the basics of navigating computers and the internet, covering your daily technology uses and offering tips about the basics of web browsing, document creation, and making your resume on a computer. Helping you use technology more effective and efficiently.
- **Internet Basics: Part 1** (class) - Learn key internet terms as well as how to use a browser to access the internet and use Google to find information on the internet. Join us for part two of this class to expand your learning on these topics.
- **Internet Basics: Part 2** (class) - A continuation of Part 1. Learn key internet terms as well as how to use a browser to access the internet and use Google to find information on the internet.
- **Meet Libby! Getting Started With eBooks & More** (class) - Learn how to borrow ebooks, audiobooks, and magazines with your library card using the Libby app by OverDrive. *This class is being offered virtually. Check the Events page on our website for info.*
- **Dodging Disinformation This Election** (class) - The problem with the information age is that it's also a misinformation age...especially during election season. With so many smears, soundbites, and scandals, it's difficult to know what to believe. Join reference librarians and learn what misinformation is and how Library resources can help you cast an informed ballot.

OTHER TECHNOLOGY HELP

TECH HELP APPOINTMENTS

Get personalized technology assistance and instruction on your own device or a public computer. Call 720-865-1111 or visit your local library for available times and to schedule your appointment.

DIGITAL NAVIGATORS

Digital navigators offer free, ongoing help for you to:

- get your own laptop or other device
- sign up for affordable internet
- learn how to use technology

You can schedule an appointment to meet with a digital navigator in-person or virtually by calling 720-865-3446.

COMPUTER AND INTERNET ACCESS

The following equipment and services are available at all open locations:

- **Public access computers**
- **Wireless Internet**
- **Copying, Printing, and Scanning**
- **Borrow a Chromebook and/or WiFi hotspot**
- **Adaptive Technologies for Persons with Disabilities** (at Athmar, Blair-Caldwell, Central, Pauline Robinson, and Rodolfo "Corky" Gonzales libraries)
