EVENT DESCRIPTIONS

- **Drop In Tech Help** (drop in) - Need help navigating the internet, email, or social networks like Facebook? Have questions about your phone or tablet? Drop by to get your questions answered and learn how to use tech more effectively.
- **Ayuda con la Tecnología** (drop in) - ¿Necesita ayuda con internet, correo electrónico, o redes sociales tales como Facebook? ¿Tiene preguntas sobre su teléfono o tableta? Visítenos para hacer sus preguntas y aprender cómo usar la tecnología más eficazmente.
- **Computer Basics/Conceptos Básicos de la Computadora** (class) - Just beginning to use computers? From the parts of a computer to searching the internet to email, if you've got questions, we have answers.
- **Digital Privacy and Security** (class) - Increase your awareness about how your online behavior is tracked and used. You'll learn tips on how to limit what's shared about you online. *This class is being offered virtually. Check the Events page on our website for info.*
- **50+ Tech: Technology for Aging in Place** (class) - From smart watches to smart speakers to smart just about everything, there's lots of consumer technology that can help you stay in your home as you age. You can use technology for a variety of tasks, from medication reminders to virtual health visits to meal delivery. We'll go over some of the more popular options and discuss the pluses and minuses of leaning on tech to help us out.
- **50+ Tech: Things You Didn't Know Your Smartphone Could Do** (class) - Smartphones are becoming an integral part of our daily lives and are getting smarter by the day. This class looks at some of the most amazing things that you probably didn't know your smartphone could do. This class is designed for folks age 50+ to learn tech skills to enhance their daily lives.
