## EVENT DESCRIPTIONS

**Drop In Tech Help** (drop in) - Need help navigating the internet, email, or social networks like Facebook? Have questions about your phone or tablet? Drop by to get your questions answered and learn how to use tech more effectively!

**Computer Basics** (class) - Just beginning to use computers? From the parts of a computer to searching the internet to email, if you've got questions, we have answers.

**Computer Basics: Internet** (class) - Learn how to use a browser to access the internet and use Google to find information on the internet. Bring your own device or use one of our laptops.

**Digital Photos: Editing, Saving, and Sharing** (class) - Learn how to use the camera app on your smartphone to capture photos and video, and explore photo storage and editing. Having your own phone is encouraged, but not required.

**Finding and Applying for Jobs Online** (class) - Learn what tools and information you need to apply for jobs online, where to start looking for postings, and learn about common expectations in the job application process.

(continued)

**Getting Started with eBooks Using Libby** (class) - Learn how to access library eBooks and digital audiobooks using Libby, by OverDrive on your phone, tablet, computer or e-reader.
